Settle in. Feel at home.

The cottage is offered as an entire-home stay. Enjoy the bedrooms, living spaces, library and outdoor deck included in your reservation. Staff areas, locked storage and service spaces should be accessed only with permission.

For a comfortable stay, ask the property team to orient you to Wi-Fi, heaters, hot water and power backup on arrival. Use the on-ground contact in your confirmation for assistance, meal planning or any issue that needs attention.

Sleeping arrangements

Both king bedrooms are on the ground floor. Bedroom 1 has an ensuite and an extra floor mattress for a fifth guest; Bedroom 2 uses a shared bathroom.

Kitchen & visitors

Kitchen access is restricted, with prior permission required for infant needs. Outside guests and day visitors are not permitted.

Privacy & support

Coordinate service visits and assistance with the team. Confirm service timings and availability directly rather than assuming round-the-clock staffing.

Ground-floor bedrooms do not establish step-free access. Discuss the approach, steps and mobility needs before travel.

Around the neighbourhood

Explore nearby lanes on foot if comfortable with slopes. Wear shoes with good grip and arrange a taxi for longer trips or limited mobility.

Scan or open the map link in the online guide. Travel times depend on traffic, road conditions and weather.

04 / DAYS AT YOUR OWN PACE

A little wandering. A little lingering.

Begin with a quiet moment outdoors, spend time reading or share an unhurried meal. Ask the team about a bonfire if you would like an evening experience; it requires confirmation and an additional charge.

Char Dukan & Lal Tibba

Make time for local snacks and tea at Char Dukan, then plan an outing to Lal Tibba for the mountain scenery.

Landour's heritage lanes

Enjoy the neighbourhood's cottages, deodar-lined walks and cafes. St. Paul's Church is another local landmark; respect visitor access and worship timings.

Mussoorie & further outings

Explore Mall Road for shopping and a livelier afternoon. Kempty Falls is a longer road excursion; arrange transport and check conditions before setting out.

Dining at the cottage

Use the companion dining menu for published meal selections and service hours. Confirm breakfast inclusion, kitchen charges, ingredient costs and dietary requests before ordering.

05 / HOUSE NOTES & CHECKOUT
