A home to share

Full-villa stays include all bedrooms, lounges, the recreation room, dining areas, outdoor spaces, terraces and parking. Service and utility areas may remain restricted. The home spans three residential levels with The Summit rooftop terrace above; discuss stair access and room allocation with the team if anyone has mobility needs.

Den has four custom bunk beds and reading corners. The Basecamp Lounge is a place for conversations, games and planning the day.

The Lounge · Level -1

A day with no hurry.

Morning light

Begin with a cup of tea or coffee on The Summit and watch the valley wake up. Leave time for reading, a quiet conversation or simply enjoying the view. A private yoga session can be requested in advance for a restful start.

An afternoon together

Gather in The Commons for a friendly game of pool, board games or a film on the home-theatre system. The lounges and reading corners offer quieter places to retreat, while the outdoor dining spaces invite a long, relaxed meal.

When the evening settles

Take in the sunset from the terrace, then share dinner with your group. Ask ahead about a chef-led barbecue or a bonfire evening. Enjoy the night sky and keep voices and music gentle after late evening so everyone can rest.

For a special gathering

The team can help plan a family reunion, celebration, wellness stay or corporate retreat. Discuss your ideas and arrangements before arrival so the team can confirm what is possible, available and chargeable.

Meet the valley.

The countryside around you

Maldevta brings together river scenery, forests, village paths and working farmlands. It is a setting for slower mornings, landscape photography and time in nature, with Dehradun within reach when you want a day in the city.

Walk, observe, discover

Ask the team about suitable nature trails, forest walks and village routes. Look for local birdlife and take your time with the views. Guided walks and village experiences can be arranged on prior request. Respect residents, private farmland and the surroundings.

Riverside time & adventure

A riverside outing or picnic can be a lovely way to enjoy the Song Valley. Seek current advice from the team about conditions and suitable spots. For paragliding, ask about local operators and confirm availability and weather conditions before making plans.

Getting around locally

A private car or a pre-arranged chauffeur makes sightseeing easier. Request airport transfers, local transport or a customised excursion in advance; these are additional services. Allow extra time for traffic, hill roads and weather, and confirm your route before leaving.

A little further afield.

Dehradun & nearby

Consider Robber’s Cave, Sahastradhara, Malsi Deer Park or a stroll along Rajpur Road. For shopping, explore Pacific Mall, Centrio Mall, Paltan Bazaar and Rajpur Road Market. Ask the team for current café and restaurant suggestions and opening hours.

Mussoorie & Landour

Plan a day for Mall Road, hill viewpoints, George Everest Peak and the cafés, bakeries and forest walks around Landour. Allow time to linger rather than fitting every stop into one outing.

Rishikesh & Haridwar

Rishikesh offers riverside cafés, yoga and wellness experiences, spiritual visits and rafting through local operators. Haridwar is known for its ghats, temples and Ganga Aarti. Confirm activity availability and visit arrangements before you travel.

Tehri Lake & Paonta Sahib

Tehri Lake is an option for reservoir views and water activities through local operators. Paonta Sahib offers a historic gurudwara and the Yamuna riverfront. These are longer excursions: plan transport and your return with the team.

Plan with the day in mind

Travel times depend on the route, traffic and weather. Ask the team for current estimates and seasonal recommendations. Outdoor and adventure experiences are subject to operating conditions and availability.

Leave with lovely memories.

Care for the home & its setting

Please respect quiet hours after late evening and keep noise considerate of other guests and neighbours. Service and utility areas may be restricted. Outside food is strictly prohibited under the dining policy; coordinate meals with the villa team.

A mountain home

Outdoor plans may change with the weather. Wildlife sightings are occasionally possible in the surrounding environment. Barbecues and bonfires depend on weather and local regulations; arrange them with the team. Ask the caretaker about any property-specific instructions during your orientation.

Before you leave

Checkout is at 11:00 AM unless your booking confirmation specifies otherwise. Confirm your departure time with the team, and request a transfer ahead of time if needed. Check bedrooms, bathrooms, charging points and lounge spaces for belongings. Coordinate any outstanding meal or service charges and return keys or access items to the team.
