Enjoy the bedrooms, dining area, sitting corners and outdoor gazebo included in your reservation. Both bedrooms have king beds, with different decorative styles and comfortable spaces to pause.

Caretaker and housekeeping services are listed. On arrival, ask for an orientation to the villa, Wi-Fi details, appliance guidance and the best way to contact the on-ground team.

Everyday comforts

Wi-Fi, Smart TV, music player, board games, yoga mat and a washing machine are listed. Ask where shared items are kept and how appliances should be used.

Fireplace and outdoor experiences

Ask the team to assist with the fireplace, bonfire or barbecue. Availability and arrangements may depend on weather and operating conditions.

Kitchen use requires prior request and approval by the property operator. Do not assume that equipment availability includes unrestricted guest cooking.

Supervise children around steps, glazed openings and outdoor railings. Discuss mobility needs and extra-guest bedding before arrival.

03 / DINING AT THE VILLA

Good food, in good company

Start your morning with the complimentary breakfast. The published breakfast service runs from 8:00 AM to 10:30 AM and closes at 11:00 AM. Place meal orders at least 24 hours ahead so the team can source and prepare ingredients.

The in-house cook prepares home-style meals, with vegetarian and non-vegetarian choices. Lunch, dinner, snacks, beverages and dining experiences are chargeable. Read the separate menu for the full selection and source-listed prices.

Ordering

Meals require at least 24 hours' notice. Snacks require at least four hours; ordering them 24 hours ahead is recommended.

Dietary needs

Tell the team about allergies and dietary preferences before ordering. Confirm which adaptations are possible; do not assume an allergen-free kitchen.

Prices and cancellations

The source menu lists prices excluding tax, 18% GST, and meal-cancellation charges. Confirm the current total and cancellation terms when ordering.

Children below eight years are complimentary under the source menu's stated dining terms. Confirm applicability to your order.

04 / GETTING AROUND

Find your own hill-country rhythm

Villa Melrose sits in the Kattabettu area near Coonoor, surrounded by tea-growing scenery. A private car or locally arranged taxi is recommended for town visits and sightseeing.

Enjoy suitable public lanes on foot, checking routes with the team first. Wear comfortable shoes on sloping ground and ask permission before entering private estates.

By road

From Coimbatore, travel via Mettupalayam into the Nilgiris. Follow the villa pin and confirm the preferred final approach with the team.

By train

Use Coimbatore Junction or Mettupalayam as rail gateways. The Nilgiri Mountain Railway serves Coonoor; reserve ahead and arrange the final taxi transfer.

By air

Fly to Coimbatore International Airport and pre-book an onward road transfer. Allow for hill-road traffic and weather.

Keep the exact location pin available offline. Do not rely on the general destination name alone for the final approach.

05 / EXPLORE & ENJOY

Small outings. Lasting memories.

Start close to home with tea-landscape views and Rallia Dam, listed approximately 2.5 km away by road. Plan a relaxed outing to Coonoor for Sim's Park, town browsing or a heritage railway journey.

For a longer sightseeing drive, consider Lamb's Rock and Dolphin's Nose, where clear weather opens up dramatic valley views. Ask the team about a local tea-factory visit and current visitor arrangements.

At the villa

Read, play a board game, spend time together over meals or enjoy the gazebo as the light changes over the hills.

Around the villa

Choose public walking routes and scenic drives recommended by the team. Private tea-estate entry requires permission.

Plan before setting out

Confirm opening hours, train operation, visitor access and road conditions locally. Sightseeing destinations require a drive from the property.
